

ST. ANASTASIA CATHOLIC CHURCH

July 10, 2017

Dear Parents & Guardians,

The National Directory of Catechesis states, “Parents are the most influential agents of catechesis for their children. At the same time, the Church promises to help parents foster their children’s faith and assist them...whether they...look to the parish school or religious education program for help and support” (234-35). Supporting and adhering to these words is the goal of the formation programs and events offered at St. Anastasia Parish.

One of these programs is the Wednesday evening Parish Religious Education Program [PREP] for children entering the Kindergarten through the 8th grade. According to our parish records, your child or children are entering Kindergarten or above and eligible to register for this program. Enclosed is the class schedule along with a registration form for the 2017-2018 calendar year.

In order to prepare for these classes, I ask that you complete the enclosed form and return it to the Parish office. Please be sure to:

1. *Complete both sides* of the registration form.
2. *Sign and date* where indicated on both sides of the form. Your signature confirms the information provided.
3. *Return completed form along with registration fee*, as noted on the registration form, to the Parish office or mail to the address below.

As we experience the joy of loving God and as we share it with our children and young people today, together we spread the Gospel. I look forward to assisting you and sharing the Gospel message with your family through the many programs offered here at the parish.

Sincerely yours in Christ,

Denise Pressley
