## Knights of Columbus Installation of Officers St. Thomas More Council 7121

In one of the strangest Installation of Officers ever with masks and social distancing, forming the tree of the cross, front to back are: GK Bill Remy, Chaplain Rev. Tim Lindenfelser, Chanc. Tom Mina (on screen), DGK Brian Foy, FS Dave Look, Jim McIlhenney (standing in for Trustee Tom Kelly), Trustee Tom Alexander, Trustee Fred Hernandez, Lecturer John Alexander, Inside Guard Louis Laguardia, and Outside Guard Kevin Monroe.

Forming the arm of the cross, left to right: Advocate Bob Wesselman, Treasurer Tim Buckley, FS Dave Look, Recorder Rick Cozby, and Warden Pat Petrick. Logistical support were, far right, Steve Barthelmes and Chuck Nitsch.

To ensure social distancing and allow for better air flow, Eucharistic Adoration is currently taking place in the Church and Confessions will temporarily be heard in the Blessed Sacrament Chapel.

## Cathedral Parish School & St. Joseph Academy Are Ready To Welcome Students Back To School!

PREPARING FOR CLASSES TO RESUME in schools of the Diocese of St. Augustine is always a big job, but this year it comes with the challenge of incorporating new health and safety protocols in response to the coronavirus pandemic.

The diocese has schools in seven counties, where there are differing levels of infection and protocols, and each school will adapt the requirements to fit local guidelines and needs.

## Welcome Father Jared De Leo and Deacon Chuck Moss!

As a priest, Father De Leo said he hopes to work in youth ministry. "I want to bring peace and merciful love to the sacrament of confession. I also want to preach the Gospel and make it relatable to people's lives and bring out the joy in the Gospel."

Father De Leo said he knows that COVID-19 is changing the way Catholics practice the faith. "This is a great opportunity to come back to Him with our whole hearts," he said. "It's going to be hard for some people to get back into the swing of things, but I hope this will be an opportunity to re-evaluate their relationship to the Lord."

Deacon Chuck & Rose relocated to Palm Coast last October after 25 years in Colorado and a short stay in Arizona to be closer to family in Florida and Ohio. Chuck was ordained for the Diocese of Charlotte, NC in June of 1988; he has been incardinated in the Diocese of Colorado Springs since 1999.

Throughout most of this pandemic, the Dining with Dignity Ministry has delivered meals to the homeless safely by using masks and gloves while packing the meals in To Go containers. Dining With Dignity Ministry is, now more than ever, servicing the homeless population of our community. However, they are also attending to the needs of families and individuals who are "food threatened", meaning not homeless, but are going hungry.

## Bringing Mass to the Masses!

With many of our friends not able to join us in person for Mass, St. Anastasia has provided live streaming of the Mass via the Parish Facebook page [@stanastasiacc](https://www.facebook.com/stanastasiacc) and our parish website at [www.saccfl.org](http://www.saccfl.org) (under Mass Schedule)!

Thank you to our volunteers who have joined the newly formed "Live Stream Ministry"!

It's a limited time commitment and a wonderful way to minister to the parish. If you're interested in helping with this wonderful ministry, please contact the parish office!

## A Safe Return To Children's Formation & Sacramental Preparation!

Saint Pope John Paul II said, *"I plead with you--never, ever give up on hope, never doubt, never tire, and never become discouraged. Be not afraid."*

These words are needed now, more than ever. Since early 2020 we have encountered many unknowns due to COVID-19, however, with the help of many of doctors and researchers, we have learned ways to help curb the spread of this virus. Our parish staff and catechists intend to follow each of the recommended guidelines given by the CDC as well as those enacted by the Diocesan office. The safety of the children and families has always been a priority in all of our programs and this unprecedented time is no different. Our catechists (pictured right) are preparing to share the Word of God with His children safely and we're excited to have them back with us!

### Reflection:

"We must be ready to allow ourselves to be interrupted by God. We must not assume that our schedule is our own to manage, but allow it to be arranged by God."  
— Dietrich Bonhoeffer
