God Is On The Move!

First Reconciliation Workshop took place in the St. Enda of Aran Formation Center on Sunday October 18th!

It was the first workshop in a series to help our First Communicants prepare the way of the Lord!

Habitat for Humanity has started their 2020 Apostles Build here in St. Augustine. 12 Local churches and ministries have combined volunteer labor and financial support to build a new Habitat home.

Volunteers of St. Anastasia started the latest project on October 9, 2020.

Habitat For Humanity is an excellent opportunity to work together to help those in need of affordable housing in our community.

THANK YOU FOR YOUR SERVICE!

Keeping the faith—and staying safe

Thank you to
the
St. Anastasia
Ladies
Association
who hosted
the Veterans
Day
Breakfast
following
Mass!

Opening Night
for the
2020-2021
St. Anastasia
Concert Series
was a great
success!

Social distancing
was provided for
our guests in the
church and
a live stream
broadcast gave
us the ability to
share this gift of
music with our
homebound
friends!

Our Annual Thanksgiving Dinnerwith a twist!

TO GO Containers replaced the plates, but the Turkey Talk still went on!

Our Youth Ministry did a wonderful job of safely serving our parishioners the annual Thanksgiving Meal and offered a great Live Stream presentation that included music, prayer and some fun trivia!

Fr. Tim & Fr. Jared got into the spirit wearing their Thanksgiving hats too!

Plans for Christmas Mass celebrations are underway. To adhere to the guidelines of Social Distancing we are preparing St. Jude Celebration Hall for Christmas Eve Masses!

If you haven't already done so, please take a moment and visit the parish website at www.saccfl.org "From The Pastor's Desk" to fill out the attendance survey.

Your help will be greatly appreciated as we finalize our plans!
