## What have the YOUTH been up to?

**MARCH MPACT 2021!** In the morning the SAY AMEN Youth Ministry helped clean at St. Catherine of Sienna and served at "Waste Not Want Not" in Orange Park in the afternoon.

"Waste Not Want Not" receives food that can no longer be sold in stores and they help distribute it to food banks all around in Clay, Duval and St. John's counties as well as many other areas of Northeast Florida. and many more places.

Our youth helped them clean up their garage, did some of the landscaping and power washing projects and did some general cleaning and organizing.

A just reward after a hard days work!

## Friday Night Lights!

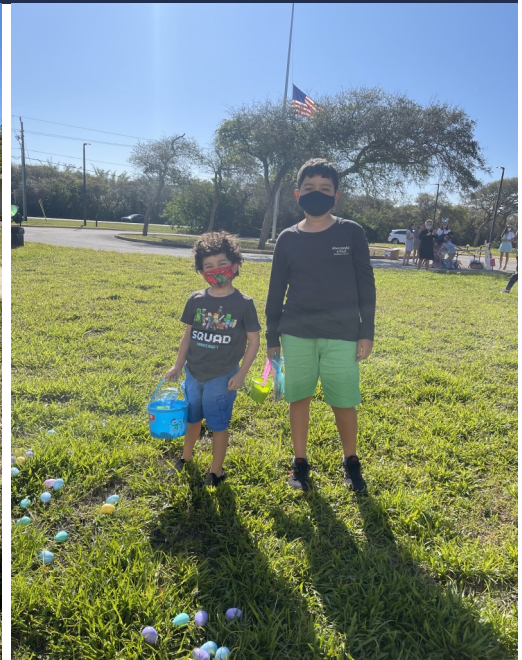

It has been a tough season for St. Anastasia Softball team, but it hasn't been without a lot of fun! Fr. Jared can throw a mean softball! Be sure to join us next season for our 2022 Church League Season!

Thanks for pitching for us Fr. Jared!

## The Annual Easter Egg Hunt!

It sure has been challenging during this time of COVID-19, but we wanted to be sure the kids were able to enjoy the traditional Easter Egg Hunt! In order to socially distance, we had TWO Easter Egg hunts! One after the 9am Mass and one after the 11am Mass. Thank you to Marie, Lauren and their volunteers for providing a fun day for the children!.

## Come Holy Spirit, Come!

In February, the children from St. Anastasia, Our Lady of Good Counsel, San Sebastian and Cathedral Parish came together to prepare for the day they receive the gift of the Holy Spirit. The Directors of the Department of Religious Education from each of these parishes spend many days in order to plan this Confirmation Retreat to insure that the children in our Formation and Education programs grow closer to Christ by building a strong faith and prayer life.

# A Joyful Welcome! - The Easter Vigil

At the Easter Vigil, St. Anastasia joyfully welcomed our Catecheuman and Candidates into the Catholic Church through the celebration of the Sacraments of Baptism, Confirmation and Eucharist, Please welcome them and pray for them as they begin their faith journey as fully initiated members of the Catholic Church and St. Anastasia family.

## Reflection:

Because God transcends all creatures, we recognize that our human words will always fall short of His mystery. We must, however, continually purify our language of everything that is limited and imperfect. We should not confuse our image of God with our human modes of expression and representation.
