- **Are** you stretched and would like a way to refuel and be refreshed while making authentic connections with others?
- **Would** you like to have a better understanding of your faith and learn more about God?

**WALKING WITH PURPOSE** is a Catholic Bible study for women that aims to bring women to a deeper personal relationship with Jesus Christ by offering personal study and small group discussion that link our everyday challenges with the solutions given to us through the teachings of Christ and the Catholic Church.

## *Fearless & Free*

Scripture study is based on the book of Ephesians. We realize that life is not easy and suffering can spin us out of control. If this rings true, then this study is for you.
