## The Coronation of Our Lady of La Leche

On October 10, 2021, the Diocese of St. Augustine celebrated a historic first for the church in Florida. At 2:00pm the Canonical Coronation of the image of Our Lady of La Leche took place at the Cathedral Basilica. Our Pastor, Fr. Tim Lindenfelser, was part of the Pontifical Mission to accompany the Special Envoy.

## The Annual Pet Blessing

Father Jared along with parishioners gathered with their pets in the courtyard of the church for the annual Pet Blessing!

# The Annual Youth Ministry Garage Sale took place!

Our youth and volunteers worked so hard sorting and pricing all of the donations! Thank you to all who helped make this a successful sale, and for the many donations we had this year! The Annual Garage Sale raised approximately \$6,000.00 for the Youth Ministry!

## Religious Formation & Sacramental Preparation Are In Full Swing!

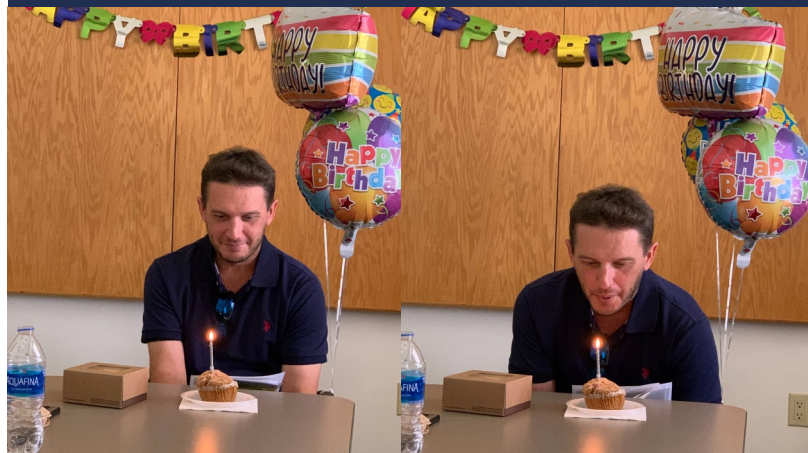

The children of St. Anastasia Parish who will be receiving the Sacraments of First Reconciliation and First Holy Communion had their First Reconciliation Workshop!

They created a pinwheel that consisted of the four parts of the Sacrament of Reconciliation: *Confession, Penance, Contrition and Absolution.*

## Happy Birthday Treble Maker!

The parish staff had a mini-celebration for Peter Morin's Birthday!! "Thanks be to God for his indescribable gift!"  
2 Corinthians 9:15

## Starting In The Faith

The Rite of Christian Initiation program has started! Our candidates and catechumens were given a tour of the church by Deacon George!

## The St. Therese Rosary Guild Is On The Move!

The St. Therese Rosary Guild held a Bake Sale at the Sunday Breakfast held by the Knights of Columbus. The funding they earned goes to supplies and shipping of rosaries around the world! This wonderful ministry brings Christ to those who may not otherwise know Him and it is such a blessing to St. Anastasia!

### Reflection:

"You must remember to love people and use things, rather than to love things and use people."
