This five week course is meant to assist Catholics to better appreciate the mystery of the Eucharist as well as the words and gestures used throughout the Holy Sacrifice of the Mass.

The first two classes are more lecture-like focusing on examining the origins of the Eucharist throughout Sacred Scriptures and Church history. The final three classes are a Teaching Mass in three parts, where participants will be able to ask questions about words, gestures, and actions as the priest slowly walks through the Mass.

Please be sure to note: Monday morning sessions will be held in St. Jude Celebration Hall and the Thursday evening sessions will be held in the church.
